

Reception Homework Grid - Spring 1

Our Topic – Once Upon a Time...

Focus Book – The Three Little Pigs

Please choose activities to complete across this half term.

Your child can share their homework with our class and receive a homework badge on Marvellous Me.

Maths

Go on a shape hunt around your home or local area.

Try and spot as many different shapes as you can...

Draw the objects that you have found and tell your teacher what shape it is.

Literacy

We are reading 'The Three Little Pigs' this half term.
Tell your adults what the pigs used, to build their houses?

Can you design your own dream house and label what you can see using describing words?

pink roof
it has a red cherry on top

Art & Design

Use junk modelling materials at your home to create a large house for a pig to live in!

Let's make sure it is sturdy enough so the big bad wolf can't blow it down!

Understanding the World

Try a new food for Chinese New Year.

Draw it and let your teacher know if you liked it.

Personal, Social and Emotional Development

Practice zipping up your coat.
Make sure to show Mrs Padden and Miss Jackson too!

If you would like an extra challenge, see if you can learn to tie your shoe laces.

Thank you for your continued support, Mrs Padden and Miss Jackson
