

## Reception Homework Grid – Summer 1

Our Topic – Out of this World

Focus Book – How to Catch a Star

Please choose activities to complete across this half term.

Your child can share their homework with our class and receive a homework badge on Marvellous Me.

<u>Mathematics</u>	<u>Reading</u>	<u>Writing</u>
<p>We are learning all the different number bonds to 10.</p> <p>Use 2 different types natural materials from your garden to create a number bond to 10. For example, 4 daisies and 6 stones.</p> <p>How many different number bonds to 10 can you make?</p> <p>Challenge: Can you write your findings as a number sentence</p>	<p>We have been learning this space poem at school. Can you perform it to your adult?</p> <p>Brown rocket, green rocket, first I've ever seen rocket, best there's ever been rocket. ZIM ZAM ZOOM Rush rocket, roar rocket, zip about some more rocket, let me climb aboard rocket. ZIM ZAM ZOOM Blast rocket, fast rocket, overtaking Mars rocket, heading for the stars rocket ZIM ZAM ZOOM Red rocket, blue rocket, racing to the moon rocket, won't you come back soon rocket. ZIM ZAM ZOOM</p> <p>Challenge: Can you add an extra verse and even make it rhyme?</p>	 <p>Can you create your own way of helping the boy fly to space?</p> <p>Draw a picture and write 3 sentences to tell me about your new mode of transport.</p>

### Art and design

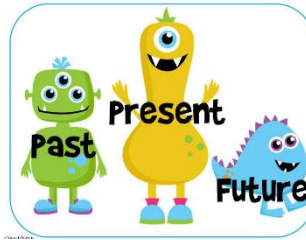

Using junk modelling at home to design and build your own rocket.

How can you create a door that will open?

### Understanding the world

Talk to your adults at home about the difference between past, present and future.

Past – Talk about what you can remember from your previous birthday.

Future – Talk about what you are excited to do at school tomorrow.

### Personal, social and emotional development

Why is exercise important?

Draw a picture or write a list of all of the sports and games you like to play.

Thank you for your continued support,  
Mrs Padden and Miss Jackson

Thank you 😊
